NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

1 Statement of Significant Accounting Policies

K.I.D.S FOUNDATION is an Australian Public Company limited by guarantee, incorporated and domiciled in Australia presented in the Australian currency.

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Reporting basis and conventions

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001. K.I.D.S Foundation is a not-for-profit entity for the purpose of preparing the financial statements.

(i) Compliance with Australian Accounting Standards – Reduced Disclosure Requirements

The consolidated financial statements of K.I.D.S Foundation comply with Australian Accounting Standards – Reduced Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB).

(ii) New and amended standards adopted by the entity

None of the new standards and amendments to standards that are mandatory for the first time for the financial year beginning 1 July 2015 affected any of the amounts recognised in the current period or any prior period and are not likely to affect future periods.

(iii) Historical cost convention

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

(iv) Critical accounting estimates

Management exercise their judgement in the process of applying the entity's accounting policies. There have been no areas noted involving a higher degree of judgement or complexity or considered critical accounting estimates.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The material accounting policies that have been adopted in the preparation of this report are as follows:

Accounting Policies

(a) Acquisitions of assets

The purchase method of accounting is used for all acquisitions of assets regardless of whether equity instruments or other assets are acquired. Cost is measured as the fair value of the assets given up or liabilities undertaken at the date of acquisition plus incidental costs directly attributable to the acquisition.

K.I.D.S FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

(b) Revenue recognition

Revenue is recognised when it is probable that the economic benefit will flow to the Foundation and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Donations are recognised at the time the pledge is made. Grants are recognised at fair value when there is reasonable assurance it will be received and the company will comply with all attached conditions.

(c) Income tax

The company is registered with the Australian Charities and Not-for-profits Commission and is exempt from income tax.

(d) Depreciation of property, plant and equipment

Depreciation is calculated on a straight line basis to write off the net cost or revalued amount of each item of property, plant and equipment (excluding land) over its expected useful life to the company. Estimates of remaining useful lives are made on a regular basis for all assets, with annual reassessments for major items. The expected useful lives are as follows:

Property – carried at valuation	Plant and equipment	3 – 20 years
---------------------------------	---------------------	--------------

(e) Impairment of assets

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. ~~Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances~~ indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units).

(f) Employee entitlements

(i) Wages and salaries, annual leave and sick leave

Liabilities for wages and salaries and annual leave expected to be settled within 12 months of the reporting date are recognised in other creditors measured at the amounts expected to be paid when settled.

(ii) Long service leave

The liability for long service leave expected to be settled within 12 months of the reporting date is recognised in the provision for employee benefits and is measured in accordance with (i) above. The liability for long service leave expected to be settled more than 12 months from the reporting date is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date.

Employee benefit on-costs

Employee benefit on-costs, including payroll tax, are recognised and included in employee benefit liabilities and costs when the employee benefits to which they relate are recognised as liabilities.

(g) Borrowing and borrowing costs

Borrowing costs incurred for the construction of any qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use. Other borrowing costs are expensed. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

K.I.D.S FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

(h) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

(i) Critical accounting estimates

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

(j) New accounting standards and interpretations

Management assessment indicates that there are no new Australian Accounting Standards or interpretations that have been issued but are not yet effective with an expected material impact on the Company's financial report in the period of initial application.

(k) Economic dependency / going concern

The directors note that maintaining the programs of the K.I.D.S Foundation are dependent on the continued ongoing support of the community to continue the current level of operations. Steps were undertaken in the 2015 year to realise assets, reduce overheads and return to positive cash flows enabling a solid platform to deliver services and events. Current liabilities in the form of employee provisions to executive directors totalling \$50,492 have been confirmed not to be called upon to the detriment of maintaining the solvency of the Foundation.

The directors believe that a combination of funding received post year end, finance facilities and committed donations going forward will provide sufficient cash flow to fund liabilities and programs for the next 12 months from the date of this report and that the going concern assumption is appropriate. The reliance on future funding and success of future events conducted is consistent with nature of operations as a charitable foundation over a number of years which have been successfully managed by K.I.D.S Foundation.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 2016

2016	2015
\$	\$

2 Financial risk management

The company's principal financial instruments comprise cash at bank, receivables and accounts payable. These financial instruments arise from the operations of the Company. The company does not have any derivative instruments at 30 June 2016 and is not exposed to foreign exchange or investment price risks.

(a) Market risk

(i) Interest rate risk

Interest rate risk is the risk that the value of a financial asset or liability will change due to interest rate fluctuations. The interest rate applicable to each class of financial asset and liability is set out below:

Financial assets:

- Variable rate cash deposits totalling \$55,735 at the average rate of 0%

Financial liabilities:

- Variable rate bank overdraft totalling \$0 at the average rate of 6.52% for balances up to \$49,900.
- Variable rate credit card \$3,362 at the average rate of 18.24% for overdue payments.

The company review and manage its interest income through reviewing the interest rate against the market.

(b) Credit risk

The company has receivable balances totalling \$46,939 at year end. The nature of operations as a not-for-profit entity results in debtors being realised under contracted arrangements for corporate giving. Revenue is only recognised to the extent of contracted amounts and collections are expected in accordance with contracts. Regular review of collections is conducted, the company does at times have material credit risk exposure to a single debtor however these are short-term basis and in accordance with terms, credit rating and assessments are not performed by KIDS Foundation.

(c) Liquidity risk

The company has external borrowings as part of its operations. These include a bank overdraft facility which carries a fixed and floating charge over assets of the K.I.D.S Foundation. Bank overdraft facilities of \$49,900 are ongoing subject to a review or default event.

Management monitors rolling forecasts of the company's liquidity on the basis of expected cash flow. Prudent liquidity risk management implies maintaining sufficient cash and cash equivalents to meet operational requirements.

(d) Fair Value estimation

The carrying value less impairment provision of trade receivables and payables is a reasonable approximation of their fair value due to their short term nature.

For other assets and other liabilities the net fair value approximates their carrying value. The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the balance sheets and in the notes to the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the directors of K.I.D.S Foundation Limited

Report on the Financial Report

We have audited the accompanying financial report of K.I.D.S Foundation Limited (the company), which comprises the statement of financial position as at 30 June 2016, and the statement of comprehensive income, statement of changes in equity and cash flow statement for the period then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australia Accounting Standards, and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australia Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.

Opinion

In our opinion, the financial report of K.I.D.S Foundation Limited is in accordance with the *Corporations Act 2001*, including

- (a) giving a true and fair view of the company's financial position as at 30 June 2016 and of its performance for the period ended on that date; and
- (b) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Sue-Anne O'Neill Leave Liabilities totalling \$50,492

Dear Fellow Directors

The accounts reflect current liabilities for the following leave balances as at 30 June 2016 relating to my role over many years as an executive director;

<u>Account</u>	<u>Amount</u>
Annual Leave	\$15,771
Long Service Leave	\$34,721

I have no intention of these leave balances being made payable to the detriment of the solvency position of K.I.D.S Foundation Ltd. This undertaking is provided for a minimum period of twelve months from the date of this letter.

This letter does not impact the historical or future accruals for leave balances and all balances remain a liability to the K.I.D.S Foundation.

Yours faithfully,

Sue-Anne O'Neill
Director
